

Why Choose ACS Homecare?

SECURITY- Our Aides must pass background checks, provide references to be checked, and undergo TB testing upon hire.

CONSISTENCY-We work to develop fixed schedules staffed with permanent Aides.

QUALITY-Aides receive hands-on training tailored to their Client's specific needs and preferences. ACS Care Coordinators will train Aides until the Client is satisfied with their level of care.

ACCOUNTABILITY-Each case is overseen by a full-time Care Coordinator. Quarterly Assessments are performed to ensure Client satisfaction.

ACS Homecare complies with applicable Federal Civil Rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex.

"I love working for ACS Homecare. I love my Clients, and I'm so happy that they've each requested me as their permanent Aide. ACS is an agency that takes good care of me. I get a lot of hours, and they've placed me with Clients that live near each other to make it convenient for me."

--Donna F, Aide since 2014
